Welcome to the Rockwell/Collins Amateur Radio Club.

Please fill out the form on the other side of this page. Include as much information as you can.

One form per member, this is also the same for dependent of full time employee. We need to have a separate form for each member.

If using a check, you may make it out to either "RCARC" or "Rockwell-Collins ARC".

Only present cash in person at either a club meeting or to a known member such as the President, Vice-President, Treasurer, Secretary or the Data Base Manager. It is the Data Base Manager that will need to see the form first before turning over to the Treasurer. The Data Base Manager works for the Vice-Pres., as this is the responsibility of that Office.

Forms and Checks maybe mailed to:
